To Whom It May Concern:

In consideration of the Canadian Chamber of Commerce ("Chamber") from time to time granting Certificates of Origin and other export-related documents such as VISA request letters, or otherwise certifying documents upon request by the above named Organization (henceforth referred to as the "Organization"), the Organization hereby accepts FULL responsibility for the veracity, accuracy and completeness of such documents as are submitted by the Organization (and/or its representatives), or by the Organization on behalf of any of its clients.

The Organization also affirms that the documents submitted for certification will not pertain to the export of controlled goods; if affirmative, that it (or its clients) will obtain the necessary authorizations prior to submission to the Chamber.

Further, the Organization waives and agrees to release and hold harmless the Chamber and its officials in respect of all claims or expenses that the Organization or foreign authorities may have against the Chamber or its officials, now or in the future, in connection with such certification, and to indemnify the Chamber and its officials in respect of any costs or liability to the Chamber or its officials arising from such certification.

The Organization acknowledges that the Chamber will keep copies of documents certified with the background documentation provided. If the Chamber is presented with a demand for production of documents which is authorized by law, the Organization authorizes the Chamber to produce documents received from the Organization in accordance with the demand. The Organization also agrees to make readily available to the Chamber any other background documents (to be kept by the Organization for up to three years after the certification), for review by relevant authorities if requested.

Primary Contact: This is the exporter's primary contact for certification matters. For users of Tradecert, the online Certificate of Origin system, this will be the primary system user who has authority to set up other users within the Organization.
